

## DISSENTING OPINION OF JUDGE DE CASTRO

[*Translation*]

To my regret, I have not been able to vote with the majority of the Court. In view of the practically identical nature of the present case and the case concerning *Nuclear Tests (Australia v. France)*, at this stage of the proceedings, I feel justified in referring the reader to the reasoning set forth in the dissenting opinion I have appended to the Judgment delivered in that parallel case.

(*Signed*) F. DE CASTRO.
