Sir,

On behalf of the Government of the Kingdom of the Netherlands and with reference to Article 40, paragraph 1, of the Statute of the Court, I have the honour to present to you:

- (a) an original copy, signed at Bonn on 2 February 1967 for the Government of the Kingdom of Denmark and the Government of the Federal Republic of Germany, of a Special Agreement for the submission to the International Court of Justice of a difference between the Kingdom of Denmark and the Federal Republic of Germany concerning the delimitation, as between the Kingdom of Denmark and the Federal Republic of Germany, of the continental shelf in the North Sea;
- (b) an original copy, signed at Bonn on 2 February 1967 for the Government of the Federal Republic of Germany and the Government of the Kingdom of the Netherlands, of a Special Agreement for the submission to the International Court of Justice of a difference between the Federal Republic of Germany and the Kingdom of the Netherlands concerning the delimitation, as between the Federal Republic of Germany and the Kingdom of the Netherlands, of the continental shelf in the North Sea.

The aforesaid Special Agreements entered into force, pursuant to their Articles 3, on the date of their signature, i.e., on 2 February 1967.

In addition, I have the honour to present to you:

- (c) an original copy, signed at Bonn on 2 February 1967 for the Governments of the Kingdom of Denmark, the Federal Republic of Germany and the Kingdom of the Netherlands, of a Protocol relating to certain procedural questions arising from the Special Agreements referred to under (a) and (b) above.

SPECIAL AGREEMENT

FOR THE SUBMISSION TO THE INTERNATIONAL COURT OF JUSTICE OF A DIFFERENCE BETWEEN THE KINGDOM OF DENMARK AND THE FEDERAL REPUBLIC OF GERMANY CONCERNING THE DELIMITATION, AS BETWEEN THE KINGDOM OF DENMARK AND THE FEDERAL REPUBLIC OF GERMANY, OF THE CONTINENTAL SHELF IN THE NORTH SEA.

The Government of the Kingdom of Denmark and the Government of the Federal Republic of Germany,

Considering that the delimitation of the coastal continental shelf in the North Sea between the Kingdom of Denmark and the Federal Republic of Germany has been laid down by a Convention concluded on 9 June 1965,

Considering that in regard to the further course of the boundary disagreement exists between the Danish and German Governments, which could not be settled by detailed negotiations,

Intending to settle the open questions in the spirit of the friendly and good-neighbourly relations existing between them,

Recalling the obligation laid down in Article 1 of the Danish-German Treaty of Conciliation and Arbitration of 2 June 1926 to submit to a procedure of conciliation or to judicial settlement all controversies which cannot be settled by diplomacy,

Bearing in mind the obligation assumed by them under Articles 1 and 28 of the European Convention for the Peaceful Settlement of Disputes of 29 April 1957 to submit to the judgment of the International Court of Justice all international legal controversies to the extent that no special arrangement has been or will be made,

By virtue of the fact that the Kingdom of Denmark is a party to the Statute of the International Court of Justice, and of the Declaration of acceptance of the jurisdiction of the International Court of Justice made by the Federal Republic of Germany on 29 April 1961 in conformity with Article 3 of the Convention of 29 April 1957 and with the Resolution adopted by the Security Council of the United Nations on 15 October 1946 concerning the "Condition under which the International Court of Justice shall be open to States not Parties to the Statute of the International Court of Justice",

Have agreed as follows:

Article 1

(1) The International Court of Justice is requested to decide the following question:

What principles and rules of international law are applicable to the delimitation as between the Parties of the areas of the continental shelf in the North Sea which appertain to each of them beyond the partial boundary determined by the above-mentioned Convention of 9 June 1965?

(2) The Governments of the Kingdom of Denmark and of the Federal Republic of Germany shall delimit the continental shelf in the North Sea as between their countries by agreement in pursuance of the decision requested from the International Court of Justice.

Article 2

(1) The Parties shall present their written pleadings to the Court in the order stated below:

1. a Memorial of the Federal Republic of Germany to be submitted within six months from the notification of the present Agreement to the Court;

2. a Counter-Memorial of the Kingdom of Denmark to be submitted within six months from the delivery of the German Memorial;

SPECIAL AGREEMENT

FOR THE SUBMISSION TO THE INTERNATIONAL COURT OF JUSTICE OF A DIFFERENCE BETWEEN THE FEDERAL REPUBLIC OF GERMANY AND THE KINGDOM OF THE NETHERLANDS CONCERNING THE DELIMITATION, AS BETWEEN THE FEDERAL REPUBLIC OF GERMANY AND THE KINGDOM OF THE NETHERLANDS, OF THE CONTINENTAL SHELF IN THE NORTH SEA.

The Government of the Federal Republic of Germany and the Government of the Kingdom of the Netherlands,

Considering that the delimitation of the coastal continental shelf in the North Sea between the Federal Republic of Germany and the Kingdom of the Netherlands has been laid down by a Convention concluded on 1 December 1964,

Considering that in regard to the further course of the boundary disagreement exists between the German and the Netherlands Governments, which could not be settled by detailed negotiations,

Intending to settle the open questions in the spirit of the friendly and good-neighbourly relations existing between them,

Recalling the obligation laid down in Article 1 of the German-Netherlands Treaty of Conciliation and Arbitration of 20 May 1926 to submit to a procedure of conciliation or to judicial settlement all controversies which cannot be settled by diplomacy,

Bearing in mind the obligation assumed by them under Articles 1 and 28 of the European Convention for the Peaceful Settlement of Disputes of 29 April 1957 to submit to the judgment of the International Court of Justice all international legal controversies to the extent that no special arrangement has been or will be made,

By virtue of the fact that the Kingdom of the Netherlands is a party to the Statute of the International Court of Justice, and of the Declaration of acceptance of the jurisdiction of the International Court of Justice made by the Federal Republic of Germany on 29 April 1961 in conformity with Article 3 of the Convention of 29 April 1957 and with the Resolution adopted by the Security Council of the United Nations on 15 October 1946 concerning the "Conditions under which the International Court of Justice shall be open to States not Parties to the Statute of the International Court of Justice",

Have agreed as follows:

Article 1

(1) The International Court of Justice is requested to decide the following question:

What principles and rules of international law are applicable to the delimitation as between the Parties of the areas of the continental shelf in the North Sea which appertain to each of them beyond the partial boundary determined by the above-mentioned Convention of 1 December 1964?

(2) The Governments of the Federal Republic of Germany and of the Kingdom of the Netherlands shall delimit the continental shelf in the North

Sea as between their countries by agreement in pursuance of the decision requested from the International Court of Justice.

Article 2

(1) The Parties shall present their written pleadings to the Court in the order stated below:

1. a Memorial of the Federal Republic of Germany to be submitted within six months from the notification of the present Agreement to the Court;

2. a Counter-Memorial of the Kingdom of the Netherlands to be submitted within six months from the delivery of the German Memorial;

3. a German Reply followed by a Netherlands Rejoinder to be delivered within such time-limits as the Court may order.

(2) Additional written pleadings may be presented if this is jointly proposed by the Parties and considered by the Court to be appropriate to the case and the circumstances.

(3) The foregoing order of presentation is without prejudice to any question of burden of proof which might arise.
